## Season of Easter

Easter isn't just a Sunday — it's a season. One day out of 365 is hardly sufficient to celebrate the great mystery of our faith — that Jesus Christ is risen from the dead. Accordingly, the season of Easter lasts seven weeks (a "week of weeks"), spanning the 50 days from the Sunday of the Resurrection to Pentecost Sunday and encompassing the festival of the Ascension of the Lord.

The season of Easter is intended to be a joyful time for celebrating the presence of the risen Christ in the church. If your congregation doesn't already celebrate the Lord's Supper (a feast with the risen Lord) each week, the season of Easter is an excellent and appropriate time to explore this practice.

Of course, Easter really isn't just a season either. In the fullest sense, Easter is a new way of life — in which we are "dead to sin and alive to God in Christ Jesus" (Rom. 6:11), called to "walk in newness of life" (Rom. 6:4). Every year, for fifty days, the church celebrates and rehearses this new way of life in the Season of Easter — as we await its completion in the fullness of Christ's reign.

## Community Presbyterian is “an open-hearted, open-minded Christian community sharing a ministry of faith, hope and love.”

Community Presbyterian Church is a proud member of the Presbyterian Church USA (PCUSA). We were founded by a group of Rochesterites who were committed to building a church based on the simple idea that Christians should be “open-hearted, open-minded.” We're located at 3705 55th Street NW, just across from Sam's Club. Join us for worship at 9:30 Sunday mornings! You are welcome to join us on this journey of faith!

## MUSINGS FROM PASTOR LAURENE

It's hard to believe that the Lenten Season and Easter is over, and it's only April! For those of you wondering or who might enjoy a bit of Easter trivia...according to the Ecclesiastical rules, which fixes the date of the equinox to March 21, the earliest possible date for Easter is March 22 and the latest possible is April 25. The good news is the next early Easter, March 25th, isn't until 2035.

I am grateful to all of you who helped make this Lenten Season, Holy Week and Easter celebration a profound and engaging experience. From the sharing of a simple soup meal together, the gathering of all ages coloring large posters, reflecting on forgiveness, wondering what it means to be fully alive, remembering together in silent and somber contemplation Jesus' last week, last meal and anguish in the garden, to joyfully singing together Jesus Christ is Risen Today on Easter morning, we have been on quite a journey

together. This annual journey serves to remind us that We are indeed Easter People who are called to live out this new life celebrated with the Risen Christ. Thanks be to God!

As many of you already know, I will be having major surgery on Monday, April 4th to resolve my ongoing diverticulitis issues so will be on medical leave for five weeks. Rev. Julie Beck will be preaching on April 10, 17, 24 and May 1st. Our very own, His Holiness and Most Reverent Rev. Dick Massaro will preach on the May 8th. If you have a pastoral concern or need, please contact Stephanie, our office manager via email, [office@cpcrochester.org](mailto:office@cpcrochester.org) or phone, 507-280-9291. Both Julie and Dick will be available to provide pastoral support and care. I look forward to being back in the office, hopefully by May 9th! I am grateful for your ongoing prayers and support during this time of healing and recovery. It's been quite a journey together. Christ has risen! Let's us live into our new life together with bold confidence and faith.

Peace,  
Pastor Laurene

I am not afraid of the world, but I am afraid of people who are afraid of the world. (Terrified people, after all, have a reputation for making terrible decisions.) I want to live in a society filled with people who are curious and concerned about each other rather than afraid of each other. I want to live in a world full of brave people who are willing to risk not only adventure but emotional intimacy.

I want to live in a world full of explorers and generous souls rather than people who have voluntarily become prisoners of their own fortresses. I want to live in a world full of people who look into each other's faces along the path of life and ask,

***“Who are you, my friend, and  
how can we serve each other?”***

- Elizabeth Gilbert

## WORSHIP AND MUSIC

### Have you signed up to volunteer at worship at CPC?!

When you volunteer to help at worship, you are connected in a different, profound way. You are invited to be a worship assistant, a greeter, a communion assistant, a liturgist, a nursery attendant and/or a refreshment host! If you'd like job descriptions, please email the office! Especially with Pastor Laurene's medical leave, we need volunteers in place to welcome and support our guest preachers. We appreciate all who have volunteered in the past and who are considering volunteering in the future!

Sign up in the narthex, contact the office (email or call), or use Sign-Up Genius. You can see the dates and volunteer opportunities available for each Sunday on Sign Up Genius or on the sign up in the narthex. The April Volunteer link is: [www.signupgenius.com/go/20f0449afab23a3fd0-april](http://www.signupgenius.com/go/20f0449afab23a3fd0-april). Stephanie also sends an E-blast early in the week with Worship needs for the upcoming Sunday.

### New Welcome Books!

Our new Welcome Books debuted on Palm Sunday, they replaced the worn out Friendship pads. Carole Kinnon Copeland's beautiful pencil and ink drawing of CPC adorns the front cover.

We have added a few items to the basic information form. If you or a visitor would like a pastoral contact for any reason, there is a place to request it on the sign in page as well as your desired form of contact: mail, phone, email or text. We have included a prayer request card in the pocket of the Welcome Book, which will provide another way for people to request prayers. The cards are to be placed in the offertory plates, then the worship assistants will gather them and give them to Pastor Laurene who will incorporate those requests into the prayer, without specifically naming them aloud.

Future additions to the book will be takeaway cards about who we are, what we are up to, and how to be involved. We welcome your comments. You may contact Ellen Warner (Worship & Music Chair), Pastor Laurene, or the CPC office.

## Adult Education Challenges of Aging and Death series continues April 3, 10, and 17th!

Adult Sunday school will explore issues of aging and how we as God's people should prepare for ourselves, our families and those around us. Come and be a part of this important discussion and share your thoughts and experiences with this important issue. We can use this time to learn and support each other. We will discuss issues of independence, finances, nursing homes/assisted living, the role of the church. In addition to group discussions we will have several guest speakers who will help us better understand and navigate through several topics.

## Book Discussion Group

On April 24, we will discuss The Wild: From Lost to Found on the Pacific Coast Trail by Cheryl Strayed. We meet at 1:00 at Madonna Towers and everyone is invited whether you have read the book or not.

Cheryl Strayed About the book: "At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother's death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State—and she would do it alone. Told with suspense and style, sparkling with warmth and humor, Wild powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her."

The book for May will be The Secret Gift: How One Man's Kindness -- And a Trove of Letters -- Revealed the Hidden History of the Great Depression by Ted Gup.

## MEMBER SPOTLIGHT

### **Spotlight on the Kopecky Family: Stacy, Gene, Alayna, and Nathan**

The first words I heard when I entered the church the morning of our interview for this spotlight were “Gage Carnival—fantastic!” Stacy had evidently done it again. As co-president of the Gage PTO she headed up a carnival with games, food, 104 raffle baskets, and more, for between 600 and 700 people the previous Friday night which was as successful as the Book Fairs she organizes three times a year at the school. This is not surprising as we know Stacy. Remember the “Trunk or Treat” last Halloween? She is already planning our June Garage Sale and currently serves as the Elder for the Membership Committee here at CPC.

It’s not just Stacy but the whole family that is active in many ways. Gene teaches Sunday school and is on the Christian Ed Committee. He has been a ski instructor for many years and both Nate and Alayna were down-hill skiing at age three. They enjoy traveling and have been to Wisconsin Dells and both Disneyland and Disney World as well as Mexico and Europe to visit Stacy’s brother who worked for the IAEA in Austria. But places right here in Minnesota and Wisconsin

are good too as they spend summer vacations swimming and fishing. They own a canoe and two kayaks and Stacy and Gene used to canoe the Boundary Waters every summer and plan to take the kids soon. Gene also has run four marathons. They really enjoy doing things as a family and look forward to more trips together and enjoying evening driveway campfires with the neighbors.

However, they don’t play all the time. Gene is a nursing supervisor at Mayo. He is Treasurer of the American Association of Critical Care Nurses here in Rochester. He is a certified ski instructor and a licensed soccer coach. He has run a summer asthma camp for kids for the American Lung Association for over ten years. Stacy has run a daycare part-time for nine years and has also in the past worked in a nursing home in activities and in social work as well as being an excellent waitress at Michaels for 13 years.

Twins, Alayna and Nathan, are in 5th grade, do well in school and teachers have noted that they are role models in their classes. They are both on the Student Council and the Running Club. Alayna plays recreational soccer and Nathan, traveling soccer. Alayna likes to read and Nathan likes sports of all kinds. Next year they will be going to John Adams Middle School and are looking forward to playing in the band.

To back-track, Gene was born in Chaska, MN. Stacy’s home town was Trempealeau, WI. They met in college at Winona State from which Stacy has a BSW (Social Work) and Gene a BSN (Bachelor of Science in Nursing). Gene recently completed his Masters in Nursing Administration from Winona State. They moved to Rochester in 1996 for Gene’s work at Mayo.

**Spirit of Life Presbyterian Church  
Dedicates Indoor Labyrinth**

Apple Valley’s Spirit of Life Presbyterian Church recently dedicated its new indoor labyrinth and is inviting the community to use it as a tool for meditation and contemplation, especially during Lent. According to one expert, a “labyrinth engages the body, mind and spirit through the focused attention needed to walk its twists and turns. Labyrinths are used for calming and releasing distractions.” The church offers a generous schedule for open use.

Through Art Workshop**

Charmayne Harper, an artist who strives to promote creativity that fosters community building and conflict resolution through art and ideas, will present a workshop Sunday, April 9, from noon to 4 p.m. at Andrew Riverside Presbyterian Church in Minneapolis. Harper is an artist, graphic designer, videographer and seminary student. The workshop will be participatory and everyone will have the opportunity to make art with Harper. There is no registration fee, but adults are encouraged to make a \$5 donation. Light refreshments will be served. Harper is currently an intern at Uptown Church in Minneapolis.

**Ruling Elders Needed for Presbytery Committees**

When the Presbytery of the Twin Cities Area meets May 10, the presbytery will elect officers for the coming year. It will also elect people to serve on various presbytery committees. The Nominating Committee is seeking about 40 people to fill existing and upcoming vacancies.

While there are opportunities for teaching elders and ruling elders on most committees, the greatest need at this time is for ruling elders on the following committees: Committee on Ministry, Committee of Preparation for Ministry, Mission and Witness Committee, Nominating Committee. Details are available from Manley Olson, chair of the Nominating Committee, by calling 651.644.2848 or by e-mail at [manleyolson@gmail.com](mailto:manleyolson@gmail.com).
